**BINDT**  
THE BRITISH INSTITUTE OF  
NON-DESTRUCTIVE TESTING

## ACCREDITED OUTSIDE AGENCY

# EM Inspection

11-13 Victoria Street, Wigston, Leicester LE18 1AJ

has been assessed by BINDT and is accredited to provide the following services:

### **Training (not initial) and Examination of NDT Personnel in support of employer-based certification in accordance with EN4179.**

BINDT accreditation is conditional upon the organisation continuing to provide the specified service to the standard witnessed during initial assessment, which will be confirmed at a biennial re-assessment.

Outside Agencies accredited by BINDT are recognised by the UK NANDT Board, which determines the criteria for accreditation of Outside Agencies, and maintains an overview of the implementation of the assessment and accreditation procedure.

Date of initial assessment: 7<sup>th</sup> May 2026

Issue date of this approval: 12<sup>th</sup> June 2026

Expiry date of this approval: 11<sup>th</sup> June 2027

Signed for BINDT

Kevin Pickup

Chairman of NANDTB

The British Institute of Non-Destructive Testing is an accredited certification body offering personnel and quality management systems assessment and certification against criteria set out in international and European standards through the PCN Certification Scheme. Approval of Outside Agencies offering NDT personnel qualification services to clients is undertaken by BINDT at the request of an Outside Agency to engender confidence in the quality of the specified service provision.
